StoreMore® Cookware & Bakeware Organizers
Help Reclaim Cabinets & Pantries
Effortless organizers to create your happy (cookware) space

Chicago (March 4, 2023) – [YouCopia](#)'s StoreMore® organizers maximize cabinet and pantry space while making bakeware and cookware more accessible for busy home cooks.

“Our StoreMore products are top-rated by happy customers for their ability to customize storage spaces – without any installation,” says YouCopia President Lauren Greenwood. “Unlike other organizers on the market, StoreMore racks can be easily adjusted to fit almost any size baking sheet, frying pan, pot lid or cutting board. Vertical storage helps you see, not stack, your favorite cooking tools.”

Good Housekeeping editors also like the StoreMore Adjustable Cookware Rack, having given it a 2021 Best Storage Award. They said, “Sheet pans, trays and lids can make organizing bakeware and cookware a real challenge. With YouCopia’s adaptable rack, you place the wire dividers where you need them. Its slim frame is sturdy, and the nonslip feet keep it in place when you remove or replace items.” The Cookware Rack is available now. SRP: \$24.99

The StoreMore line also includes that following items that are available now: [StoreMore Bakeware Rack](#) helps home cooks find the right pan, cookie sheet or cutting board in a snap and includes seven adjustable dividers. SRP: \$19.99.

- [StoreMore Lid Holder](#) stores lids separately from stacked pots and pans and includes seven adjustable dividers. SRP: \$19.99.

- [StoreMore Expandable Cookware Rack](#) extends from 12” to 22” wide to maximize cabinet space and includes 10 adjustable dividers. Reinforced support keeps heavy items like large pans, skillets, bakeware platters and lids – even cast iron – in place. SRP: \$39.99.
- [StoreMore Pan & Lid Rack](#) organizes everything from frying pans and pot lids to cookie sheets and cutting boards, and includes six adjustable dividers. SRP: \$19.99 for the 11” rack, and \$26.99 for the 16” rack.
- [StoreMore Expandable Pan & Lid Rack](#) expands from 12” to 22” wide and includes 10 adjustable dividers to fit pans, platters, plates and lids of any size. SRP: \$29.99.

All StoreMore units include adjustable steel dividers that keep bakeware, cookware, pans and lids both vertical and visible. Sturdy bases prevent round lids and pans from rolling around, and non-slip feet hold the racks and stored items securely in place. Heavy duty, coated steel wires won't pop out or scratch expensive cooking essentials. The racks take only one minute to set up, with no tools or installation required.

“With your cookware investment protected and on display, you'll be ready for any cooking challenge that comes your way,” Greenwood says.

Since its founding in 2009, [YouCopia](#) has helped millions of people discover the “woo hoo” feeling of being organized. The company creates practical organization products to fit different items throughout the home. With almost effortless set-up (no tools or installation required), anyone can transform their space into a happy place. YouCopia is a WBNEC-Certified Women's Business Enterprise based in Chicago's Ravenswood neighborhood.
